

The posting plan.

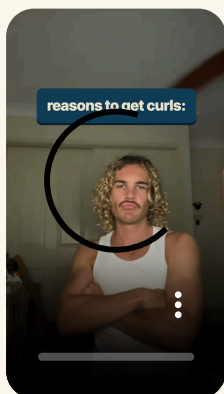

Six TikToks cut from your own videos, nine Instagram grid posts, two carousels and three story templates, plus when to post each one and what to say.

Rules for 2026

- **Post from your own account first, as Instagram Collab posts with @waveset.** A new brand account can't use Trial Reels until it has 1,000 followers, and your account already has the reach.
- **Keywords in the caption beat hashtags.** Write the words people search for ("men's curly hair", "curl cream", "surfer hair", "gold coast") into the caption. Instagram now caps hashtags at 5 anyway.
- **Upload Instagram posts at 4:5.** The profile grid now crops to 3:4, so keep text away from the edges. All the posts here are built that way.
- **Add the trending sound in the app** so it counts as trending audio. Our files use your original audio or a royalty-free bed.
- **TikTok Shop isn't live in Australia** (TikTok ANZ, Sep 2026). Send people to a link in bio.

The six TikToks

TIKTOK / REEL 1

Reasons to get curls

The trending deadpan-list format ("Reasons to get a bob"), except every reason is just "curls".

Sound: Add the trending "FREAKED OUT" sound (Fat Papi & prodshushy) in the app. Check it's still trending first.

Caption: reasons to get curls. (every single one of them is curls)

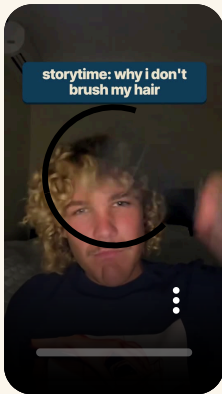

TIKTOK / REEL 2

The salt test

Your windy before-and-after, now with a happy ending.

Sound: Use a trending upbeat sound, or keep the music bed.

Caption: salt tested. wind tested. brother tested.

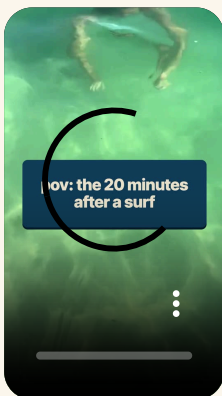

TIKTOK / REEL 3

Storytime: why I don't brush my hair

Your own storytime cut from 2 minutes down to 40 seconds.

Sound: Keep your voice. The music bed is already mixed low.

Caption: the toilet brush era is over

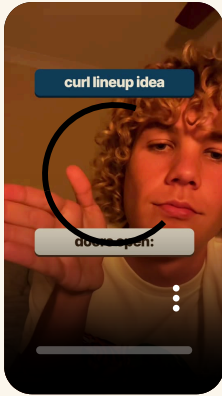

TIKTOK / REEL 4

POV: the 20 minutes after a surf

The feeling video: water, sun, carpark, one scoop, sunset.

Sound: Add a slow, warm trending sound. Try the Lana Del Rey "Freak" trend or whatever's rising that week.

Caption: the twenty minutes after a surf are the whole reason

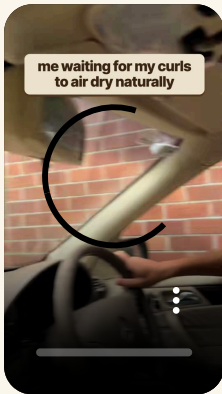

TIKTOK / REEL 5

Curl lineup idea

Brings back your 29.7M wedding lineup: frizz, shampoo ad, "is that a perm", toilet brush, wind tunnel, and the bride.

Sound: Use "Swish Swish" in the app like the original. The callback is the joke.

Caption: i can do more if you'd like

TIKTOK / REEL 6

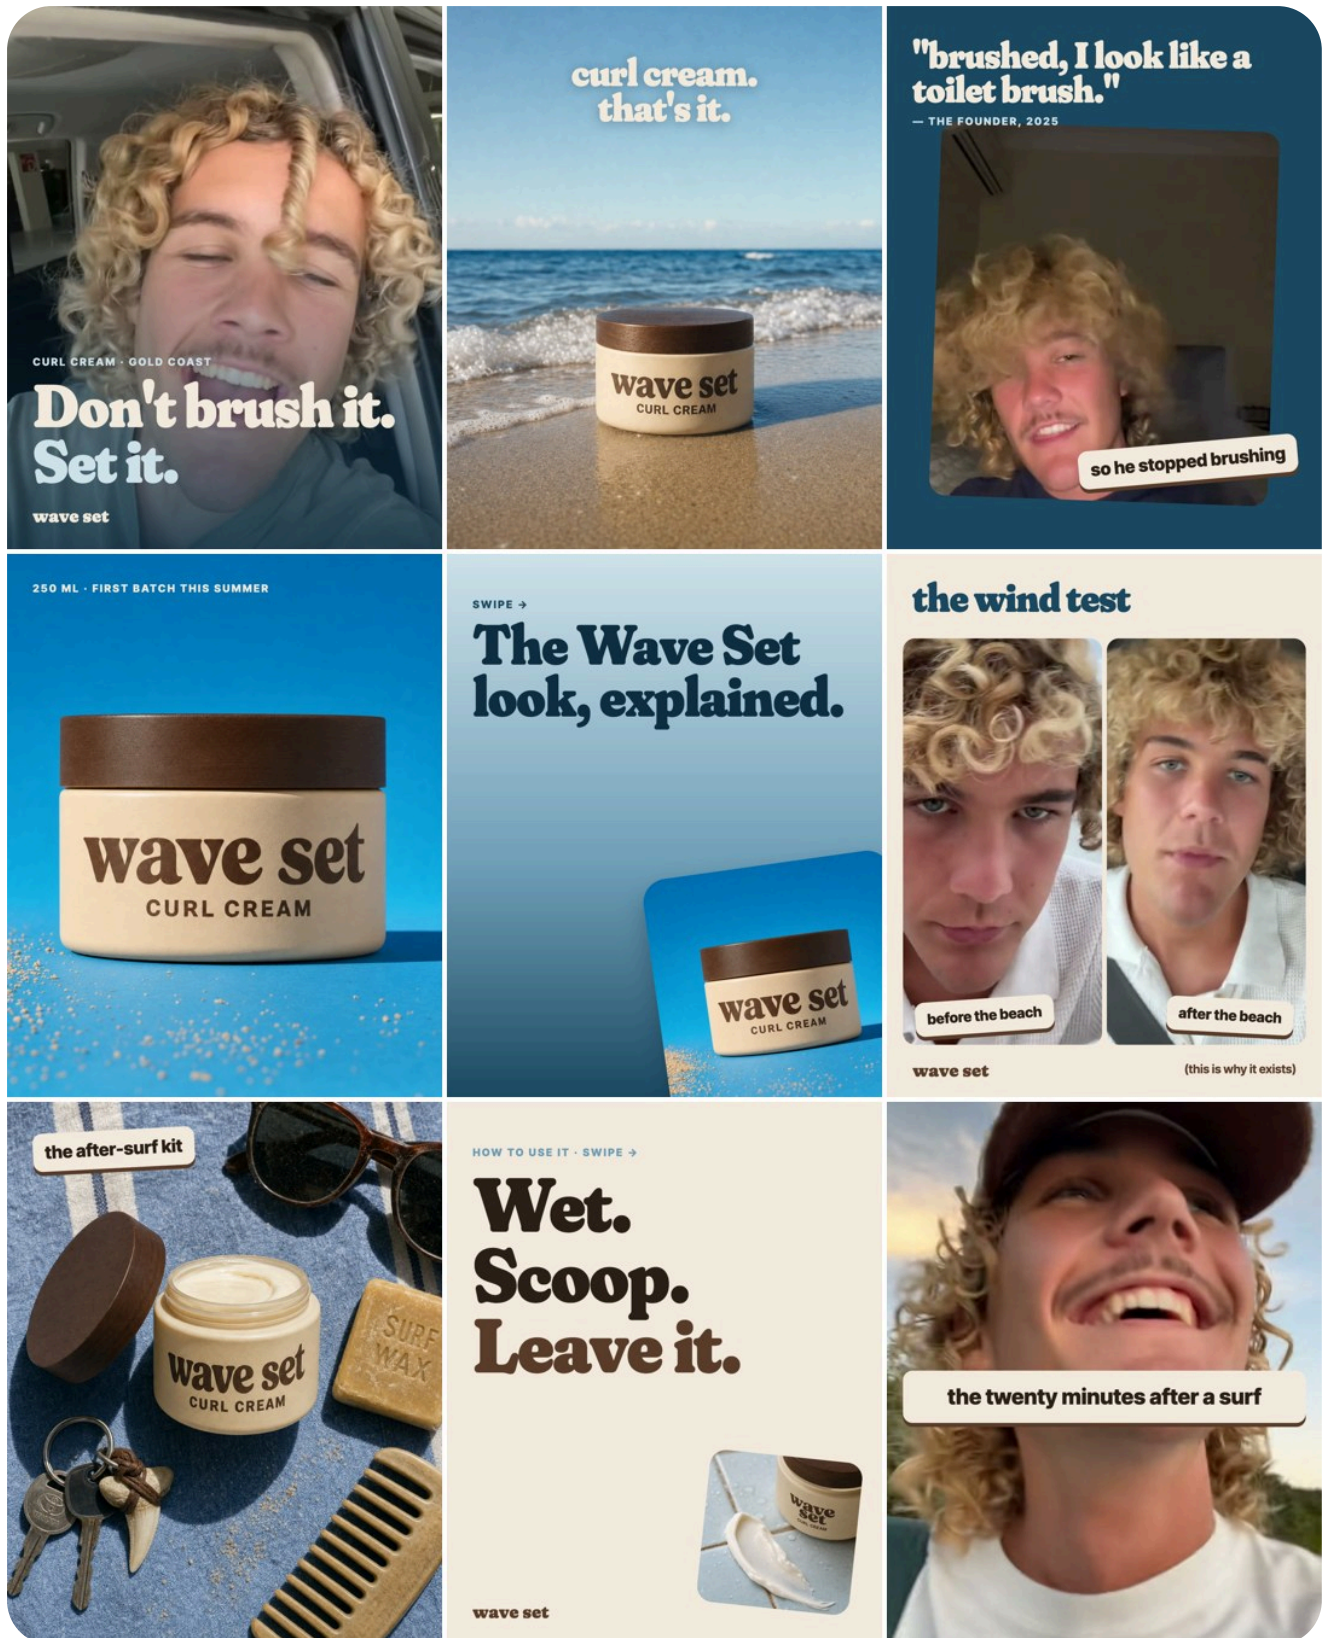

The drive-thru

Your "what's taking them so long" skit, now about air-drying.

Sound: Keep your voice. We muted the swear word.

Caption: air drying takes 3 hours. this takes 30 seconds

The Instagram grid

Posts go up in reverse order (9 first) so the grid reads correctly from the top. Carousels: "The Wave Set look, explained" (5 slides) and "Wet. Scoop. Leave it." (4 slides). Stories: a "brush it or set it" poll, a first-batch link, and a curly this-or-that.

The first two weeks

DAY	WHERE	WHAT	WHY THAT DAY
Mon	TikTok + IG Collab	01 Reasons to get curls	Catch the sound while it peaks
Tue	IG grid	Posts 9, 8, 7 (sunset, three steps, kit)	Builds the bottom row of the grid first
Wed	TikTok	03 Storytime	Long watch time. Your voice
Thu	IG Story	Poll: brush it or set it?	Cheap engagement, and it tells you who cares
Fri	TikTok + IG	05 Curl lineup	Your proven format going into the weekend
Sat	IG grid	Posts 6, 5, 4 (wind test, aesthetic carousel, jar)	Weekend scrolling time
Sun	TikTok	04 POV after the surf	Sunday beach mood
Mon	TikTok	02 Salt test	
Tue	IG Story	This or that	
Wed	TikTok	06 Drive-thru	
Thu	IG grid	Posts 3, 2, 1 (toilet brush, curl cream, DON'T BRUSH IT)	The top row lands last, so the launch post sits first on the grid
Fri	IG Story	First batch: link sticker	Point everyone at the waitlist
